Dante at the Gym

East Suburban Citizen Advocacy helped Dante find a volunteer trainer so that he could have the opportunity to exercise at the YMCA. We are working to find other opportunities for inclusive exercise in our communities. If you are interested in being on an advocacy team for this project, please call our office to volunteer.

## Updates

### Girls Book Club

This summer marks the third anniversary of our girl's book club. We have enjoyed many laughs, crafts, books and life sharing moments together. Our time together is empowering and enriching to all that participate!

### Cooking With Care Group

The women at Clelian Heights continue to enjoy learning how to prepare meals and spending time with the ESCA volunteers that shop, chop and regularly work with the ladies. Many special friendships have been formed from our time together. The group is now collecting recipes for a new cookbook edition.

### Go Adventure Group

Our inclusive middle school group continues to include new members every month. Our community partnerships with the Rotary Club and the Murrysville Library have been a fantastic collaboration.

## Coming Soon...
